BOTANICA is a collection with a fresh and bucolic mood. Simple watercolour floral motifs and fine lines are screen printed and finished by hand onto a crackle eggshell glaze terracotta. Each tile is slightly different due to the handmade aspect. Varying degrees of matt to glossy glazed colours on the crackle glaze give the tiles patina and warmth.

Tile Designs
Neisha Crosland

Photography
Radu Palicica

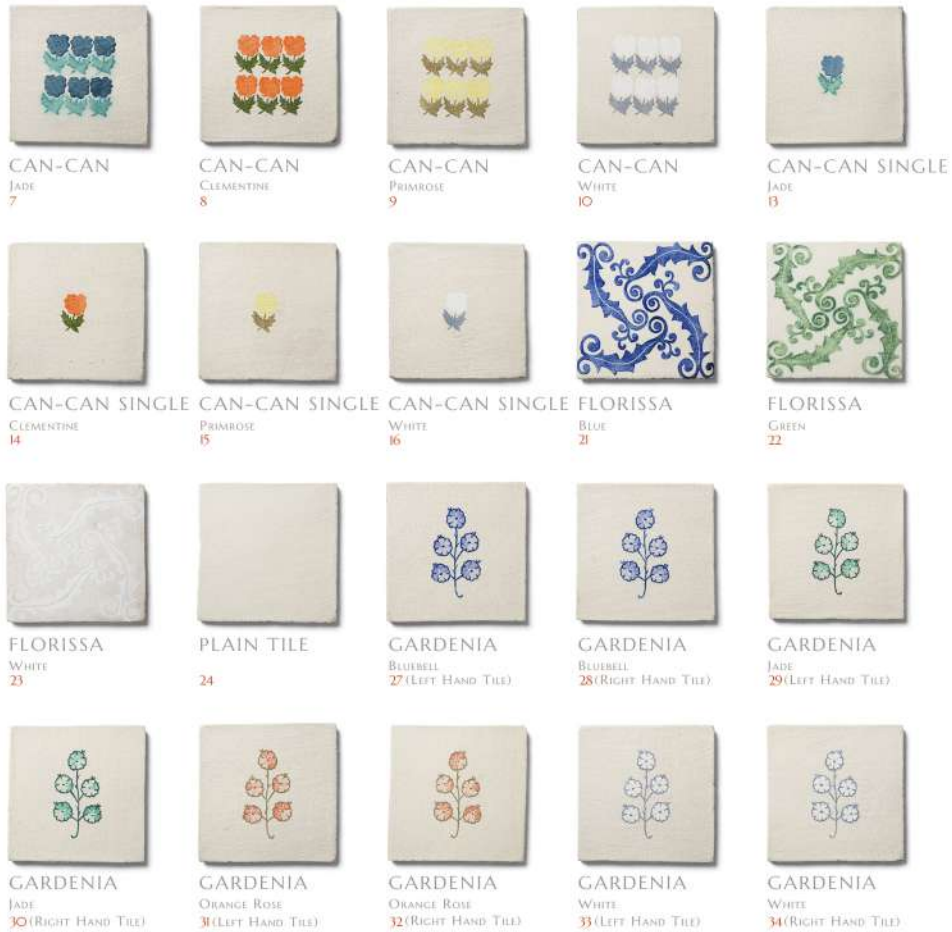

Book Design
Jason Moffat - www.kmdvisual.com

Inspiration:
Emile Nolde's vivid watercolours of flowers, Can-Can dancing, Persian illuminated manuscripts and the walls in Ottoman harems and Roman villas.
